The image features a vibrant, abstract background composed of overlapping geometric shapes in shades of light blue, peach, and yellow. A white rectangular border is positioned in the center, enclosing the text. To the left of the border, there are several horizontal green lines of varying lengths, some of which are partially obscured by yellow triangles. The text 'SOFT TOY' is rendered in a bold, black, 3D-style font with a white outline, centered within the white border. The overall aesthetic is modern and playful.
